VISION / MISSION

"We believe every child has the right to survive and reach their full potential – your donation can make that happen. We go where others won't to ensure no child is left behind. Their future is our future".

INITIATIVES

Save the Children Canada save lives by responding to emergencies caused by natural disasters, disease outbreaks, armed conflict, and forced displacement. During and after emergencies, children are at risk of abuse and exploitation, and they often stop going to school. The organization works to ensure children survive, and that their right to learn, play and enjoy childhood is protected, no matter what is going on around them.
