PROGRAMS

The Humanitarian Coalition brings together leading aid organizations to provide Canadians with a simple and effective way to help during international humanitarian disasters. Member agencies join forces to raise funds by mobilizing media, businesses and individual Canadians. Our priority is to get help to those in need as quickly and efficiently as possible. Funds are distributed to member agencies that are most aligned with the crisis so they can meet the basic needs of survivors quickly and effectively. Our members have expertise in providing shelter, clean water, sanitation services, protection services, health care, and livelihood support.

MISSION - OPERATIONS

The Humanitarian Coalition is a fundraising and coordination body, which supports its members' humanitarian efforts and does not directly operate any programs overseas. They are a network of leading Canadian NGOs determined to unite efforts in cases of humanitarian crises. The Coalition has twelve members: Action Against Hunger, Canadian Foodgrains Bank, Canadian Lutheran World Relief, CARE Canada, Doctors of the World, Humanity & Inclusion, Islamic Relief Canada, Oxfam Canada, Oxfam-Québec, Plan International Canada, Save the Children Canada and World Vision Canada.

COMMENTS

The Humanitarian Coalition has been operating since 2009. The large influx of funding over 2019/2020 was due to large government grants being extended by the Canadian Federal Government. At times of worldwide humanitarian crisis this group works with the media and government agencies to fundraise for a group of 12 charity partners. Approximately 85% of the revenue collected is allocated to the agency partners that are best suited to respond to the current crisis. Allocation of funding is prioritized to the agency members that can respond most effectively. The Humanitarian Coalition has been included in our recommendations given they represent many of the charities we would otherwise suggest such as Care Canada, Plan International, Islamic Relief Canada & Save The Children Canada to respond to the crisis in Syria and Turkey.

Canada Gives offices are located on the traditional territory of Indigenous peoples dating back countless generations. We want to show our respect for their contributions and recognize the role of treaty making in what is now Canada. Hundreds of years after the first treaties were signed, they are still relevant today. We seek to do better, to continue to recognize, learn, and grow —in friendship and community, Nation-to-Nation.
